Dyscalculia

Change Your Perspective: It's Just Dyscalculia

Reference
Number:
2022-1-TR01-
KA220-SCH-
000088738

- Strengthening institutional capabilities: Improving the skills and capacities of partner organizations in the fields of school education and dyscalculia assistance.
- Promoting inclusivity: Guaranteeing that students with learning challenges, such as dyscalculia, are integrated into mainstream classes to promote diversity and empathy.
- Empowering teachers: Enhancing the professional skills of instructors throughout the European Union to better assist students with dyscalculia.
- Customized strategies for dyscalculia: Creating personalized growth plans to support students affected by dyscalculia.
