LTTA2

From the 11th to the 15th of March, the partners of the Erasmus+ project "Change Your Perspective: It's Just Dyscalculia" had an LTTA2 at the partners of Paderborn University in Paderborn, Germany.

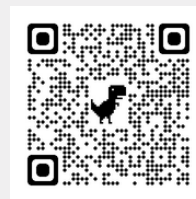

E-LEARNING

The meeting focussed on e-learning and videos as part of e-learning in school. The partners are familiar with e-learning and the creation of learning videos. They created videos of the Dyscalculia project, its meaning in Europe and in every partner country.

DYSCALCULIA PROJECT

The project partners worked on the second work package and discussed further tasks within the project. The next meeting, which will be the third LTTA, will be held in Lithuania.

Overall, it was a successful week and the partners are excited for the next phase!
